Credit and Payment Terms

Nevers Industries Inc policy does not allow for automatic open account terms for new customers, customers whose account is not current, individuals or residential accounts. *New customers are required to make a deposit for the full value of the merchandise ordered.* A credit application will be sent to each new customer. Credit will be established upon review of the responses given by the customer's references and will appear on future order acknowledgements. New customers are encouraged to begin establishing a credit rating with Nevers Industries Inc prior to placing an order. Our customers are responsible to provide the necessary current and accurate information. *Upon establishment of an open account, terms are Net 30. 1 1/2% per month service charge will be added to all past due accounts. Accounts that are 90 days past due will be subject to collection proceedings without any additional notice. Orders will not be processed for past due accounts until the amount due, including any service charges, is paid in full.* Standard product orders exceeding \$50,000 net will require a down payment of 33%. Custom orders will require a down payment of 50% and will not be scheduled for production until the down payment is received. Balance is then due before shipment. *A bank letter of credit may be required for any order over \$50,000 net.*

Prices

Our prices are list, freight prepaid, F.O.B. Plymouth, Minnesota, and are subject to change without notice. Quoted prices must be accepted within 30 days or re-quoted for date and approval. Freight is prepaid and allowed for normal ground transportation within the 48 contiguous states, must ship to dock location. Air freight, will calls, and special delivery will be quoted and invoiced separately. Prices do not include installation, storage, or sales tax.

Packaging

Nevers Industries Inc pricing includes packing for North American shipment. Whenever possible, Nevers will blanket-wrap your order; otherwise, all products will be packaged. Only environmentally safe packing materials are used. Large furniture pieces will be packed with wood reinforcements for added protection. For special packaging, crating or overseas shipment, please contact our Customer Service Department.

Delivery

Nevers Industries Inc will select the method of shipment, carrier and routing. Carrier selection is solicited to provide the best service to each customer in their particular location. All shipments are sent prepaid, FOB Plymouth, Minnesota. *Nevers Industries Inc liability ends when the carrier issues a receipt to Nevers Industries Inc. This is an acknowledgement by the transportation company that the shipment has been received by the freight company in good condition and title of the goods and risk of loss transfers to the buyer. The order shall be considered complete. Prepaid freight does not change the F.O.B. status of the product and risks involved in the shipment. We reserve the right to make partial*

shipments. Invoices relevant to the partial shipments are payable as they fall due.

Freight Terms

All orders under \$2,000 net are subject to a minimum order/ additional freight charge of \$200 net; Nevers Industries Inc also reserves the right to establish a freight and fuel surcharge fee to cover variable freight costs. This charge will be established at the time of order and acknowledgement date.

Lead Times

The lead time on an order begins when Nevers' Order Entry Department has verified the validity of the items ordered and has received at our manufacturing facility all COM materials supplied by others. All acknowledgments will contain current lead time information. If for some reason the buyer does not want it early, please list a Do Not Ship before date. We are not responsible for delays in scheduling or failure to make scheduled shipping date due to strikes, lockouts or other labor complications, war, riots, Acts of God, fires, accidents, restraints affecting shipment or credit, reduced supply or excessive cost of fuel or raw material, delays from suppliers, compliance with Government regulations, or other unforeseen contingencies. When delays in product delivery are caused by the purchaser, we reserve the right to draw up to 100% of the contract price and to charge to the purchaser any costs incurred by us due to such.

Order Acknowledgement

All orders are subject to final acceptance by Nevers Industries, Inc. Receipt of our acknowledgement indicates acceptance of your order subject to the terms and conditions set forth in Our Acknowledgement. If pricing on the purchase order is different than the acknowledged pricing, the acknowledgement will take precedent over the purchase order. Nevers Industries, Inc. attempts to clarify all orders. But in the event of any discrepancy, please notify Nevers Industries Inc immediately. Failure to notify Nevers of a discrepancy within five (5) days will constitute acceptance of the order as acknowledged. All orders are subject to credit approval at any time.

Change Orders

Nevers Industries, Inc. will make every attempt to honor any reasonable change request to standard product provided that the request is received prior to start of production. Change orders will be accepted only if the request is made in writing and received in time to make the change. Nevers Industries, Inc. reserves the right to increase our acknowledged price and ship date if necessary to make the requested changes. Nevers Industries Inc will make every reasonable effort to stop production, scheduling shipments, etc., upon receipt of written notification of changes, cancellations, or deferments of delivery. Nevers will assess charges to the customer for change orders, cancellations, and delivery deferments as stipulated in the following:

Change Orders:

- Received prior to start of production will be charged \$200 net.
- Received after production has started involving design changes or reductions in quantity will not be accepted. The customer will receive the goods as ordered and be liable for the amount due.

Cancellations:

- Received prior to start of production will be assessed a \$500 net cancellation charge.
- Received after production has started will be assessed the total accumulated cost of the project plus a \$500 net cancellation charge.

Deferred Shipments

All merchandise will ship upon completion of production. If customer is unable to take delivery of merchandise when ready for shipment, Nevers Industries, Inc. may transfer the merchandise to storage. All cost for storage and freight will be at customer's expense. Transfer to storage will be considered delivery for all purposes including invoicing and payment. Customer will bear the risk of loss or damage during storage. Deferred shipment charges will be assessed from the completion date in accordance with Nevers policy for Storage by the Manufacturer.

Storage By The Manufacturer

No shipment can be postponed by the customer. Nevers Industries Inc reserves the right to transfer products to storage and issue its invoice for the products at that time. Such transfer to storage shall be deemed delivery to the customer for all purposes. Long term storage over 30 days may be subject to surcharges.

Shipment Claims

Legal title of merchandise passes to the buyer upon acceptance by the carrier. The buyer must inspect all cartons on arrival for visible or concealed damage. In the event of visible freight damage, the buyer must make a notation on the freight bill; immediately notify the carrier for an inspection; and file a freight claim. *Do not sign the receipt until the visual inspection is complete at the time of delivery. If concealed damage is discovered, the carrier must be notified within 15 days. Keep all packaging materials for inspection (do not destroy).* The buyer has the sole obligation of seeking recourse against the carrier. Caution: When a clear receipt is obtained by a carrier, the carrier is no longer responsible for damages or shortages. Damaged freight cannot be refused by the consignee (buyer). Processing claims for damages and shortages are the responsibility of the buyer. At no time can claims be deducted from our invoices.

Returns

All Nevers Industries, Inc. products are made to order. Therefore, merchandise may not be returned without specific consent from Nevers Customer Service Department. Unauthorized returns will be refused by the shipping department.

Miscellaneous

All merchandise shown in our catalog is the property of Nevers Industries Inc. We reserve the sole right to manufacture and distribute it. All patterns, tools, and designs developed for the production of any product will remain the property of Nevers Industries Inc. All published dimensions are approximate and if the exact sizes are critical, we suggest that you request actual measurements. Price list data supersedes all other specifications, whether verbal or written, and may not be altered without the written consent of an officer of Nevers Industries Inc. Typing and clerical errors on any agreement, publication, correspondence, price list, or product literature pieces are subject to correction at any time without notice. Due to variations beyond our control, all wood and upholstery products are subject to slight variations in color, texture, and grain.

Specifications

Nevers Industries, Inc. reserves the right to change prices, specifications, fabrics, dimensions and finishes at any time without prior notice. This right to change also applies to discontinuing models at any time, catalog contents and price list contents.

Warranty

Nevers Industries, Inc. warrants its products to be free from defects in material and workmanship under normal and reasonable use and service for a period of ten years from the date of shipment to customer. Proprietary supporting products, which are manufactured by others and sold by Nevers Industries, Inc. carry the original manufacturer's warranty. The decision of defects in workmanship or materials or the decision of misuse or abuse remains with Nevers Industries, Inc. No warranties other than those contained herein will be implied and Nevers Industries, Inc. does not authorize any person to create any warranties other than those contained herein.

Wood Veneers

Nevers® products are manufactured primarily of Plain Sliced Mahogany, Black Walnut, White Oak, Cherry and Maple. Other woods may be specified. Please contact Customer Service for price and availability. Mahogany, Walnut, Oak, Cherry and Maple veneer panels are laid up with plain sliced faces and are balanced on back to minimize warping and balance stresses.

Ribbon striped mahogany is available at an upcharge.

Wood Surface Cleaning

Wood furniture should be cleaned with a damp, soft cloth, wiping in the direction of the wood grain. Wood surface should then be dried with a dry, soft cloth. Monthly, wood surfaces should be cleaned with a soft cloth using a quality wood cleaner. Following cleaners directions, slightly dampen soft cloth and wipe in direction of wood grain. Dry the wood surface with a dry, soft cloth. Ammonia or any type of oil should be avoided.

Standard Wood Finishes

Nevers' standard finish is a multi-step process involving dyes, stain, sealer, toner and lacquer. For added protection and durability, the final top coat on all table tops is catalyzed lacquer. All of the finishes have been formulated for maximum clarity to enhance the natural characteristics of each particular wood species. Standard finish is open pore. Semi-filled and filled finishes require an upcharge and may extend the lead time. Please contact Customer Service for price and delivery date.

For other wood species, contact Customer Service for special pricing and availability.

Oak – Natural, Medium, Dark, Ebony on Oak

Walnut – American, Dark, Mahogany on Walnut,
Presidential, Espresso

Mahogany – Light, Brown, Dark

Cherry – Natural, Amber, Brown, Medium, Dark,
Espresso, Cinnamon

Maple – Natural, Golden, Copper, Autumn, Ebony, Honey

Ash – Natural, Cocoa

Ribbon Stripe Mahogany available at upcharge,
contact Customer Service.

Custom Wood Stains and Finishes

Nevers offers the capability of matching your custom stains or finishes. Virtually any wood finish or color sample can be matched to your specifications. A finish sample or stain sample is required from the customer before the process of matching approval can begin. The upcharge for custom finishes varies with the type of finish and also with the quantity ordered. Please contact Customer Service for pricing. For custom stain match – any order under \$5000 list there is a \$270 net upcharge.

Note: COLOR VARIATION WILL OCCUR IN THE GRAIN OF ALL WOOD SPECIES.

This is an inherent characteristic caused by the annual growth rings found in all hardwoods and the manner in which the boards and veneers are cut across these growth rings. In some species, this color variation is very subtle. In other species this color variation is obvious and at times radical.

The process of finishing hardwood veneers determines whether these variations are enhanced or subdued. Natural finishes will show color variations in the grain and enhance the beauty of the wood to its fullest extent. Other stains and finishes tend to blend in these variations to some extent dependent upon the depth of color and the particular method of application.

Standard Laminates

Laminate panels are laid up with Wilsonart® standard grade high pressure laminate with an equalized back to minimize warping and to balance stresses. Any laminate from the Wilsonart® General Purpose Series is standard. All Wilsonart® laminates with matte/textured finish (–60) are standard.

Custom Laminates

Any commercially available laminate may be specified. Most custom laminate orders may extend the standard delivery date. Most non standard Wilsonart® laminate is \$270 net per order per color. Call Customer Service to confirm pricing.

Standard Board Fabrics

WallWorks™ Presentation Boards and Metal Frame Tackboards come standard in Shadow. Visual Boards and Fabric Tackboards are available as standard with C.F. Stinson – Pattern "Mira" series fabric. Quick Ship fabric colors are Shadow or Dune. If no color selected, Shadow is shipped.

Standard Color Coats

Color Coat is available to match all standard Wilsonart® solid colored laminates.

Custom Sizes

Nevers has the capability to manufacture any piece in the product line to your size specifications. Please contact Customer Service for pricing and availability.

Understanding Nevers Meeting Link™

Nevers offers pre-configured Meeting Link™ solutions for all tables. This is an easy, trouble free method to specify power, data, voice and AV connections. Nevers proprietary technology centers use modular power connectors, are daisy chainable and are ideal for all installations where multiple electrical outlets connect to a single power infeed. They are available in single or multiple circuits. It is listed as a manufacturers wiring system under UL standard 183.

Technology centers are installed in the table base system before the top is placed on. This provides a convenient, well lit work area.

Jumpers allow multiple technology centers to be connected (daisy chain) together using a single power feed.

Power, data, voice and AV cables come through the floor box to feed the entire table.

Receptacles simply snap in with a positive locking tab feature that assures positive contact to the power blocks. Receptacles are labeled I, II, III and IV to denote which circuit the receptacle is keyed for. Nevers ships Circuit I receptacles as standard.

When ordered with power option, all wood bases receive an access door. All wood bases have cutouts in the bottom to accommodate floor core monuments and offer a spacious open cavity for cable routing and storage.

Duplex receptacles can be installed on both sides of the power block; this allows for equipment to be plugged in and mounted underneath the table. Additional duplexes must be ordered, see page 62 for ordering information.

The infeed snaps into the power block of the first technology center. The power blocks come pre-installed in the technology centers from the factory. There are four connection points on each power block, this allows for the infeed and jumpers to daisy chain multiple power blocks.

Each technology center comes standard with decora style openings for telecom plates with data, voice and AV ports. Nevers technology centers come standard with generic adaptor plates and connecting adaptor jacks that accept most common data and voice ports.

The technology center doors come pre-installed from the factory. The table top is placed on the base system after the technology integration is complete. This prevents damage to the table top attributable to third party contractors.

Nevers Meeting Link: How to Order

Step One: Determine your power/data/voice/AV requirements.

Heavy Capacity: PV1 - provides 1 outlet for every 1-2 people.

Medium Capacity: PV2 - provides 1 outlet for every 2-3 people.

Light Capacity: PV3 - provides outlet for every 3-4 people.

Step Two: Determine the quantity of technology centers required for your table.

Nevers Meeting Link™ technology centers are positioned centered between the bases. If your table has 3 bases, you will need 2 technology centers, 4 bases needs 3 technology centers, etc.

Step Three: Choose your door type and metal color.

Door Type Options: Metal or Wood

*Grain direction on wood doors will run opposite of the grain on the table top.

Metal Color Options: Silver or Black

Door Type: Metal
Metal Color: Silver

Door Type: Metal
Metal Color: Black

Door Type: Wood
Metal Color: Silver

Door Type: Wood
Metal Color: Black

Step Four: Choose your infeed type.

Multiple Circuit Hardwire: Activates all four circuits and has a flexible conduit. This must be installed by a certified electrician. (UL Listed)

Single Circuit Plug In: Activates only circuit I and has a 52" cord that plugs into a standard 120V/20A outlet. (UL Recognized)

Note: The maximum quantity of receptacles that Nevers ships per circuit is 12. If you require more receptacles, a second single circuit plug-in infeed or a multiple circuit hardwire infeed must be used.

City of Chicago: For the city of Chicago, Nevers offers a metal junction box and mounting bracket to replace the power block and allow the technology centers to be hardwired in the channel. All other electrical wiring and receptacles must be furnished separately by your electrician.

Note: Other metropolitan areas may have special electrical requirements as well. Nevers recommends consulting a local electrical contractor for proper code compliance information.

Step Five: Determine if you have any additional power/data/voice/AV requirements.

Additional infeeds, duplex receptacles, telecom plates and grommets can be found on page 62.

Note: Nevers recommends consulting an audio/visual (AV) integrator for assistance with data/voice planning.
